A clerk coded the form and fed it into the computer. The computer instructed Barry to fill out. It was the only possible place to hide. I sincerely hoped Detweiler wouldn't need anything out of it before I found out what was going on. If he did, the only thing I could do was confront him with what I'd found out. And then what, Mallory, a big guilty confession? Then all the blankets fell away, and a man with more colors on him than Amos had ever seen sat up rubbing his eyes. His sleeves were green silk with blue and purple trimming.
