

SOCIAL WELLBEING AND THE VALUES OF SMALL SCALE FISHERIES

Six to seven hundred years ago a sky-god religion began to spread across the islands, a development of the worship of the Twin Gods Atwah and Wuluah, originally heroes of a desert saga from Hur-at-Hur. A Sky Father was added as head of the pantheon, and a priestly caste developed to lead the rites. Without suppressing the worship of the Old Powers, the priests of the Twin Gods and the Sky Father began to professionalise religion, managing the rituals and festivals, building increasingly costly temples, and controlling public ceremonies such as marriages, funerals, and the installation of officials. He slept till late in the morning and woke as if from illness, weak and placid. She was unable to. "No need," he said in that distant way, as if he hardly knew what she was talking about; but then ate it. He broke free, stood up, stooping; neither of them could stand straight in the low cabin. Clenching and unclenching his hands, he stood as far from her as he could, his back to her. "But you can't force him to drink," I continued patiently. everything he said was true, and his voice was moved and gentle as he said, "I could have known it up. He looked at Otter, who was not much to look at. "Rest easy," he said, and went

He was sitting a little way from where he lay, looking at himself, although it was still utterly dark. He lay huddled and crumpled near where the little seep-stream dripped from the ledge of mica. Not far away lay another huddled heap, rotted red silk, long hair, bones. Beyond it the cavern stretched away. He could see that its rooms and passages went much farther than he had known. He saw it with the same uncaring interest with which he saw Tinaral's body and his own body. He felt a mild regret. It was only fair that he should die here with the man he had killed. It was right. Nothing was wrong. But something in him ached, not the sharp body pain, a long ache, lifelong. "And I in my tower," said the Namer. "And you, Herbal, and the Doorkeeper, are in the trap, in the." What can you tell me that would make me trust you?". cars, from high up, someone was watching me. I went closer to the edge of the light and saw the. Trusting the messenger, Morred entered the trap. He barely escaped with his life. The Enemy pursued him from the east to the west of Enlad in a trail of ruin. On the Plains of Enlad, meeting the companions who had stayed loyal to him, most of them sailors who had brought their ships to Enlad to aid him, Morred turned and gave battle. The Enemy would not confront him directly, but sent Morred's own spell-bound warriors to fight him, and worse, sent sorceries that shriveled up the bodies of his men till they "living, seemed the black thirst-dead of the desert." To spare his people, Morred withdrew. there was any on the island." He examined it attentively, and put some seedpods into his pouch. "Yes," Irioth said. "I understand. You are a kind woman." She was talking about him, about his not knowing what he was doing. She was forgiving him. "A kind sister," he said. The words were so new to him, words he had never said or thought before, that he thought he had spoken them in the True Speech, which he must not speak. But she only shrugged, with a frowning smile. fulfilled, the son of Morred is crowned, and yet we have no peace. Where have we gone wrong? Why. the edge of the platforms by an unprotected abyss. The winter passed by, and the cold early spring, and with the warm late spring came a letter from his mother, brought by a carter. Diamond read it and took it to Master Hemlock, saying, "My mother wonders if I might spend a month at home this summer. ". "Well, son!" They touched cheeks. Sail home to the houses of the sunrise, Hasa. He did not ask if Otter was picking up any sign of the ore; he did not ask whether he was seeking the ore or pretending to seek it. Otter himself could not have answered the question. In these aimless wanderings the knowledge of the underground would enter him as it used to do, and he would try to close himself off to it. "I will not work in the service of evil!" he told himself. Then the summer air and light would soften him, and his tough, bare soles would feel the dry grass under them, and he would know that under the roots of the grass a stream crept through dark earth, seeping over a wide ledge of rock layered with sheets of mica, and under that ledge was a cavern, and in its walls were thin, crimson, crumbling beds of cinnabar...
